INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

RECEIVED

Eliza Ayberry, et al.,
vs
Cherokee Nation.

No. 70.

Mr J. A. Gibson, Special Master to whom this case was referred, submits the following report.

IN THE UNITED STATES COURT IN AND FOR THE DISTRICT OF COLUMBIA,
S. D. C. No. 70, A. S. Gibson, Special Master.

Eliza Ayberry, et al.,
vs
The Cherokee Nation.

No. 70, Special Masters report.

I, J. A. Gibson, Special Master herein under the order of the Court heretofore made, show to the Court that under said order the I have examined the pleadings and proof herein, which are herewith filed and made a part hereof and the I find as follows:

I

That this case was filed on the 10th day of October, 1877, on which day a petition was made to the Commission to the Five Civilized Tribes for citizenship by blood in the Cherokee Nation of Indians, that the said cause was tried by said Commission on the 23rd day of October 1877, and the application denied, no reason being given for the said decision, and from this decision the applicants appealed to this Court on December 21, 1877.

II

That this application was made by Eliza Ayberry, Newton J. Eddings, Asa Newkirk, Rosa C. Blankenship, Harvey A. Ayberry, John E. Blackburn, John F. Blackburn Jr., Andrew A. Blackburn, Emma Choemaker, Leveny Lovelace, Ophelia Curry, John W. Middleton, Charles W. Middleton, Andrew W. Eddings, Susan S. Foster, Thomas S. Foster, John S. Foster, H. F. Foster, Sarah J. Owen, Luther Blackburn, Jane Brown, Mary Edwards, Doll Owen, Pleasant S. Blackburn, William J. Blackburn, Andrew E. Blackburn, Sarah S. Jourdan and Mary Board and her three children all of whom are the great-grandchildren and great-great grand children of Dave Weaver, who lived among the Eastern Cherokees in what is now the State of Georgia and who is claimed to have been a Cherokee Indian by blood and a recognized member of the Cherokee Nation.

III

That the parties filed in support of their application the affidavits Andrew E. Blackburn, W. J. Blackburn, Thomas S. Foster, Richard D. Eddings, James S. Eddings, C. W. Harris, John F. Eddings, Samuel S. Mill, Joseph Allison, Andrew S. Eddings, and John Ross, and a certified extract from the roll of the Cherokee Nation taken in the year 1835, showing that Dave Weaver, his six boys and one girl were enrolled as Cherokees and that he lived in Cherokee County, Georgia near Sharp Mountain creek. That the proof shows that Dave Weaver had a daughter by the name of Elizabeth, who married a man by the name of Eddings, and that she had a daughter by the name of Frances who married a man by the name of Blackburn, and who was the mother of Eliza Ayberry the principal claimant herein whose maiden name was Blackburn. That these claimants are residents of the Cherokee Nation, Indian Territory, where they have resided for the past eight years.

IV

That the claimants contend that under the showing made by them that Dave Weaver's name appears upon the roll of the Cherokee Nation for the year 1835, they, being now residents of the Cherokee Nation they are entitled to be admitted to citizenship in the Cherokee Nation as citizens by blood, while the Cherokee Nation contends that Dave Weaver's name does not appear on the roll of the Cherokee Nation since its removal west to the present location, and that hence under the laws applicable to cases of this nature these claimants are not entitled to be admitted to the Cherokee Nation as citizens thereof.

On the premises considered, I find that these claimants are the descendants of Dave Weaver, whose name appears upon the roll of the Cherokee Nation for the year 1835, that the proof does not show that the said Dave Weaver ever came to the present Cherokee Nation, or was enrolled here as a member thereof, that these claimants are persons of Cherokee Indian blood and descent, and that they are now residents of the Cherokee Nation, Indian Territory.

I respectfully ask that the Court will allow me a reasonable fee for services herein as Special Master.

Respectfully submitted this 14th day of June 1887.

J. A. Wilson,
Special Master.

No exceptions taken.

For fee paid.

By the Court:---From this report it appears that the claimants base their right to be enrolled as citizens of the Cherokee Nation upon the fact that they are Cherokee Indians by blood. Some of the claimants have resided in the Cherokee Nation for seven or possibly eight years. It does not appear that any of them have ever been recognized as citizens of the Cherokee Nation as now constituted. The Federal Government of the United States has rejected this case as affirmed, and the application of the claimants to be enrolled as citizens of the Cherokee Nation is denied.

J. A. Wilson, Special Master hereby certifies that the above and foregoing is a true and correct copy of the report filed by me in the case of *John Wilson et al., vs. The Cherokee Nation*, and also of the judgment of the Court rendered in said case.

Witness my hand and seal at Washington, D.C., this 14th day of June, 1887.

J. A. Wilson,
Special Master.

This is to certify that I am the officer having custody of the records pertaining to the enrollment of the members of the Choctaw-Natchez, Chickasaw, Creek, and Seminole Tribes of Indians and the disposition of the land of said tribes and the same as provided in a true and correct copy of a copy of the Special Master in testimony in the matter of the application of *John Wilson et al., vs. The Cherokee Nation* in the Cherokee Nation, by the United States Court for the Eastern District of Georgia, on appeal from the decision of the Commissioner of the Civilized Schools, Cherokee Nation, and also of the judgment of the Court rendered in said case.

Witness my hand and seal at Washington, D.C., this 14th day of June, 1887.

J. A. Johnston, a Notary Public in and for the Territory of the Indian Territory, do hereby certify that the above and foregoing is a true and correct copy of a copy of a copy of the report of the Special Master in the case of *John Wilson et al., vs. The Cherokee Nation*, and also of the judgment of the Court rendered in said case.

Witness my hand and seal at Washington, D.C., this 14th day of June, 1887.

Amanda E. Lewis,

Madam:-

Replying to your letter of July 19, 1907, you are advised that the applications for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees have not yet been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If you have any minor children you should fill out the inclosed supplemental application blank and return to this office.

Very respectfully,

Special Commissioner.

I am not making any claim of Indian blood through the father of Lottie Smith. Lottie Smith or Roberts is living. She has filed a claim for herself. Lottie Roberts is the wife of Ed Roberts. She is about 40 years of age. Her father, Geo. Smith ~~has~~ has been dead about eight or ten years. I do not know just how old he was when he died. His mother's name was Charlotte and his father was named Larry Smith. Lottie Smith has one brother. She had some sisters and brothers who died. The brother living is named Louis. Ross Smith was a brother of Geo. Smith, father of Lottie. Geo. Smith had several brothers. They were Ross, Jarrett, Joe, Henry, Lewis, Doc and one that went West. The sisters were Minnie and Martha. Geo. Smith's wife was a white woman. Callie Smith is living with me now. I have had her since she was about six weeks old. She is now six years old.

She was never on any rolls that I know of. Don't know whether she ever lived with the Indians or not. My father never lived with the Indians. Never heard of my father or grandmother receiving any money from the government. My father was 1/4 Cherokee. My father and I are recognized as white people. My wife is a white woman. All of my father's brothers and sisters married white people except Ellie Rogers and she married a part Indian.

On July 6th 1908 you addressed a letter to Mr. A. M. Passmore at Yellow Creek Ga. notifying him that your authorized agent, Chas. H. Bradley would be at Dawsonville, Ga. on Saturday, July 11th, 1908, for the purpose of taking testimony relative to his claim. On account of the fact that he had previously changed his residence from that section, which is in north Ga., to a section in middle Ga., he did not receive this notice until after the date set for taking such testimony, and for that reason his rights in the matter were not then heard. Later on he had me to write you informing you of such facts and on August 21st, 1908, he received your answer to that letter in which you used the following language, to wit: "If we are unable to reach a conclusion as to your case you will be notified to appear before one of my assistants at some convenient point to furnish the additional testimony required." Acting upon these instructions he has since waited for such notice that would at least give him a chance to be heard and produce his testimony, believing that his rights in the matter would not be adjudicated without his having had his day in Court. Believing that there must have been some oversight in this particular case, and no intentional wrong contemplated in the adjustment of his case, I will ask if it is now beyond your power to withdraw your report in this case, reopen the same, and give him an opportunity of being heard? This seems but fair as he has never had

any hearing at all.

If it is beyond your power to grant this request, then I will ask that you forward to me for him the necessary blanks (I presume such blanks have been prepared) to file the exceptions referred to in said order.

I will thank you very much if you will also inform me as nearly as you can what amount he would get out of this claim if he should succeed in establishing his right to participate in the judgment referred to.

I desire to add in a personal way, that while I have never seen this man but twice in my life, that I have no doubt in my own mind, from his personal appearance, but that he has a very unmistakable strain of Indian blood of some tribe in him, the characteristic features being very marked.

Hoping to hear from you soon, I remain,

Yours very truly,

Bonnie F. Thompson,
c/o D. B. Walker,
Glade Spring, Virginia.

Madam:-

Your letter of July 12, 1907, relative to the application of W. A. Stuart for participation in the Eastern Cherokee fund, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state the amount each successful claimant will receive.

As there are already over 29,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with the claim of W. A. Stuart his guardian will be notified.

Very respectfully,

Special Commissioner.

I am about 64 years old. My father was a white man. My mother was a full-blood Cherokee. My mother told me that she drew money in 1851: I drew money in 1852. My mother gave me the money. My mothers name was Sal-lih of Sarah. My mothers mothers name was Gaw-lee-cheh or Co-le-cheh. There were only three in the family in 1851, my mother, grandmother and myself. My Indian names were We-le, Caw-da-skee, or Spade, and Gee-gih. I think that we were living in Flint District in 1851. I think that I came to Tahlequah District when I was about 6 years old but that was after the enrollment of 1851. I was sometimes called by the name of William Grimmett. (See Flint 493 for the enrollment of the applicant and his mother.) I am a Night Hawk. My wife is names Charlotte Triplet and she applied for my two minor children.

Your letter of November 18, 1907, is at hand. In reply you are advised that it is impossible at this time to state when the Eastern Cherokee money will be distributed. The work of examining the applications is now going on and is being pushed as rapidly as possible.

I note what you say as to money paid out to attorneys but you have been misinformed as to the amount received by them.

I think you need have no fear as to any further money being paid out to attorneys, except in such cases where claimants employ attorneys for the prosecution of their own particular claims.

Very respectfully,

Special Commissioner.

W. R. W. C. Keys,
Muldrow,
Oklahoma.

Sir:

Replying to your letter of November 11, 1909, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on, and the roll finally approved by the Court no money can be paid.

Very respectfully,

Special Commissioner.

NLC.

SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.

June 10, 1909.

Sir:

On May 28, 1909, I reported to the Court of Claims that your application, No., for participation in the fund arising from the judgment of the Court of Claims of May 28, 1906, in favor of the Eastern Cherokees, should be rejected, and on June 10, 1909, the Court entered an order as follows:

"It is further ordered that the said roll of individual Eastern Cherokees entitled to share in the fund arising from the judgment in this cause, as reported by Special Commissioner Guion Miller, on the 28th day of May, 1909, be and the same is hereby approved, ratified and confirmed, except as to so much of the same as shall be specially excepted to on or before the 30th day of August, 1909. All such exceptions shall be forwarded to the Clerk of the Court of Claims, Washington, D. C., and shall be in writing, and shall state fully the grounds upon which such exceptions are based, and shall be supported by an affidavit of a person having knowledge of the facts and shall contain the name, age, and postoffice address of each individual claimed to have been omitted from said roll, or to have been improperly placed thereon. Said exceptions and affidavits shall be filed in duplicate in each case, but only the originals must be sworn to. In case an exception is filed on behalf of an individual whose name has been omitted from said roll the said exception shall set forth fully the English and Indian name of the ancestor through whom claim is made, who was living in 1835 or 1851, and shall give the age of said ancestor in 1835 or 1851. Such exceptions must further state the number of the claimant's application. All such exceptions shall be set down for hearing on the third Monday in October, 1909."

No exceptions, or letters, not strictly complying with the requirements of the above order of the Court in regard to the filing of exceptions will be considered.

Very respectfully,

GUION MILLER,

Special Commissioner.

SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,

601 OURAY BUILDING,
WASHINGTON, D. C.

Sir:

Replying to your request for a blank application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you are advised that under the order of the Court of April 29, 1907, all applications were required to be filed on or before August 31, 1907.

It is therefore now too late to file applications except on behalf of minor children, persons of unsound mind, or persons under some other legal disability.

Very respectfully,

GUION MILLER,

March 18, 1910.

W. R. W. C. Keys,

Sir:

Replying to your letter of March 12, 1910, you are advised that the Court of Claims on March 7, 1910, handed down an opinion determining all those who are entitled to share in the Eastern Cherokee Fund, and finally rejecting the applications of all other claimants, but it will probably be sixty days before the Treasury Department will have the warrants issued so that payment can be begun.

Sir,
Replying to your communication of
Dec 30. 1907. Relative to my application
(No 6054) for Participation in the Eastern
Cherokee Funds. I will say my mother's
name was Presha Hendricks her maiden
name was Presha Eastey. Her father's
name was Dick Eastey. She had three
children older than myself. Patsy - Hettie -
and Joe Hendricks. My father John
Hendricks was an old settler but
my mother always told me she was an
emigrant or eastern Cherokee and that
she drew money as such. My mother was
nearly a full blood Cherokee and may have
been enrolled by some other name but at
the time the last roll was made in '51 or
1852. She was married to my father and
John Hendricks and drew money for her self

and my older sisters and Brother, namely
Patsy Hendricks, Hettie Hendricks and
Joe Hendricks. Hoping that you will be
able to identify on the Rolls and if there is
~~any thing else required~~ any more testimony
necessary I will endeavor to get it. I
very Resp.

Was she an old settler?

Do you claim any Eastern Cherokee descent through your father? Give the names of his parents.

Please give this matter prompt attention and refer in your reply to the number of your application.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office where your parents were living in 1851.

Do you claim Eastern Cherokee descent through your father or your mother?

What was your father's Indian name?

Do you know why they were not enrolled on Eastern Cherokee Enrollment of 1851?

Also furnish us with the names of your grandparents on both your father's and your mother's side. The names given in your application fail to appear on the rolls. If they were enrolled, they must have used other names than those given.

Were any of your family old settlers?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office as to the exact date of your birth.

Where were your parents living in 1851? Do you claim Eastern Cherokee descent through your father or your mother? The names given in your application fail to appear on any Eastern Cherokee Roll; if they were enrolled, they must have used other names than those given by you.

Was your mother a white woman, an Indian, or a negro? If negro, was she ever held as a slave; if a slave, was she owned by white people or Indians?

Were your father and mother old settlers; if so, were they enrolled on the old settler roll?

In answering these questions, be careful to give the names of your grandparents on both your father's and your mother's side, using both Indian and English names.

By what authority do you make claim for the grandchildren of Andy Nowife? Are you their legal guardian?

In reference to your application for participation in the Eastern Cherokee Fund, I beg to advise you that same is too incomplete for us to form a basis of inquiry into its merits, and it will be necessary that you furnish us with the full names of your grandparent on both sides together with all of their children.

Is your mother living at the present time? If so, what is her address, and if she has a husband living now, give his name. Has she been married more than once? If so, give the names of her various husbands.

Do you claim Cherokee descent through both parents? If not, designate the one through whom you do claim.

Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate the roll on which your name appears.

Were any of your ancestors ever held as slaves? If so, state their names and say whether they were held by white people or Indians.

Did any of your ancestors ever participate in any Old Settler payment? If so, when and where.

App. No. 6069

December 30, 1907.

Sally Tucker,
Melvin, Oklahoma.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office as to the exact date of your birth.

If you were living in 1851, why were you not enrolled on Eastern Cherokee Enrollment of that date?

Through whom do you claim your Eastern Cherokee blood?

If your father and your mother were enrolled on Eastern Cherokee Enrollment of 1851, as you state in your application, under what names were they so enrolled; the names given in your application fail to appear on said roll; were they known by any other names than those given in your application, and, if so, furnish us with those names.

Is there any possible way of your furnishing us with the names of your grandparents on both your father's and your mother's side?

What were your father's and your mother's Indian names? Were they ever enrolled as old settlers?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

HVK/TM

Special Commissioner.

Were your father and your mother ever known by any other names than those given in your application? If so, give them. What was your father's Indian name?

Do you claim Eastern Cherokee blood through your father or your mother?

Give the names of your grandparents on your mother's side; also the name of your grandmother on your father's side. Were any of your grandparents enrolled on the Eastern Cherokee Enrollment of 1851?

Justin V. Yates,

Sir:-

Replying to your letter of June 14, 1907, you are advised that ~~that~~ children born after May 28, 1907⁶ will not be entitled to participate in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees.

You are further advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 25,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is anything further required in connection with your application you will be duly notified.

Very respectfully,

George Miller,
